KEEP OUR KIDS FED!

VOTE YES ON THE SCHOOL LUNCH AMENDMENT!

**Over 75% of students
rely on this program!**

**Students that eat lunch
have better health,
behave better, and get
better grades.**

**80% of students who
rely on the program,
won't be able to eat
lunch without it.**

School Lunch Is The Only Option.

Proper nutrition is important for the development of children, and school lunch is a significant source of nutrition for most children in the area.

Funding the school lunch program, then, is critical for the health and education of our community's youth. Our youth are our future. Invest in our future and vote yes on the school lunch amendment.
